I will pray God will give you whatever your heart needs most through caring friends, family and comforting memories of peace.

Jenny and I just connected recently on FaceBook from our young adult years working at Miller & Paine and I'm so sad that we had just this short time. But what a blessing it was to have that time

Though I had not seen Jenny for quite some time I worked with her at Miller and Paine and also at Woodmen. She was a kind and wonderful person with a quick smile and great sense of humor. My thoughts and prayers are with all of you at this very difficult time.

Oh Jenny if I had known that the day we ran into each other and talked for a long time was the last time I would see you, I would have hugged you a little tighter and a little longer. You were a treasure that our Father put on this earth and it has been a joy to know you and your family. Thank you for trusting your sweet Bailey to me when I babysat for her. You will missed greatly in the Firth area and having your family around will keep your memory alive. Duane, Lindsey, Ashley, Bailey and family our thoughts and prayers are with you. You have a lifetime of wonderful memories to keep close to your heart and share with your children. Just remember that your will see her again. God's Blessings.

I want to express my sympathy for Jenny Joy's family loosing her at this time. I did not know her well but her sweet daughter, Bailey is a paper of our family by marriage and Bailey is one of the most loving, caring, happy, supportive and always smiling person I have ever known. I am sure she gets many of her character traits from her sweet mother and the sorrow is deep. May your loving memories and closeness to each other comfort you and may the Lord strength you all and give you His peace that passes understanding. Hugs to you Bailey and prayers for you all.
