Rick was one of the biggest hearted people I knew, he would do whatever he could for anybody he knew and it seemed like he knew everybody.

I personally spent a lot of time with Rick training and hunting behind our German Shorthairs, we walked many fields in multiple states and those were some of the funnest days of my life. I already miss Rick very much.

I am sure that Rick has found old "Bo" by now and they are already looking for the best fields

and pointing birds.

Rest in Peace Rick
