Rebecca and kids,

I am so sorry and humbled at the passing of your husband, and father, Trent. How such a short time of knowing him can make such a lasting effect on me. Due to unforeseen events from day 1 of school for my children, I will be unable to attend the service. That is not the way that I wanted to have things happen. I wanted to be able to be there to show your family the RESPECT and ADMIRATION that I had for Trent. With know him just this short amount of time, he reminded me of my father and his caring ways about him. Please know that I can and will never know the pain and loss that his passing will cause you, but that I feel some of that pain as well. I feel it as the loss of someone that I could call a friend and a fellow member of the National Guard. Again, I am so sorry for the loss of Trent.
